

Specifications

Model No.: JAS200-F09

General information	
Installation	Outdoor, Indoor
Viewing angle	180° panoramic view
Function	Support real-time video, Video playback, Various video recording modes
Lens	1.35mm
Pixel	2.0MP, 1920x1080
Video compression	H.265
Frame Rate	1080P: Max. 30fps
Minimum illumination	0.1 Lux@(F2.0,AGC ON), 0.01 Lux with IR
Specifications	
Electrical shutter	Automatic adjustment
TV system	PAL/NTSC
Digital noise reduction	3D
IR LED	3 Led lights, IR-CUT filter, Night Vision Max. 10M (33ft)
Night Vision	IR-CUT Automatic switchover
Internet	Wi-Fi IEEE802.11 b/g/n RJ45 Ethernet 10Mbps/100Mbps
Internet protocol	TCP/IP, UDP, HTTP, DDNS, DHCP, FTP, NTP
Alarm push	Motion Detection, Alarm picture push
ONVIF	Don't support ONVIF. The camera works independently.
Storage	Cloud Storage, Support Micro SD Card (Max. 32GB, 15-20 days video storage)
Power Supply	DC12V/1A
Ingress Protection	IP66
Working Temperature	-35°C ~ +50°C (-31°F ~ +122°F)
Working Humidity	10% ~ 90%
